Atanur Özkaldım

I am a Software Developer. I like to learn new things and improve myself. I have been involved in software development since about 2013. So it's a big part of my life and I've gained experience in many different areas. Thanks to this I can evaluate my work from a broad perspective.

Experiences

Lugath Software Developer Istanbul

OCT 2022 - APR 2023

I used react and javascript libraries such as jest, redux, etc… I'm part of many types of business logic and projects with different challenges. I keep improving myself.

Upschool Teaching Assistant Remote
